

the Tempel Lipizzans and Tempel Farms proudly present

Johann (Hans) Riegler!

Wednesday, June 9

Tempel Lipizzans and Tempel Farms are thrilled to host internationally renowned trainer and clinician, **Johann Riegler** .

Former Oberbereiter of the Spanish Riding School in Vienna, Austria, Mr. Riegler has been referred to as the “Great Master of the Courbette,” performing six sequent jumps. Mr. Riegler was with the Spanish Riding School for 39 years.

Recently, Mr. Riegler’s DVD, *The Pliable Seat*, was released in Germany and is available in English as well. He describes *The Pliable Seat* as the language that connects the rider to the horse.

Johann Riegler has been involved in the Xenophon Classical Riding Foundation. This foundation was established some years ago to fight against undesirable developments in equestrian sport and to bring to mind the principles of the Classical School, which was developed by the old masters.

The trainers and working students of Tempel Lipizzans, will work with 8-10 Tempel Lipizzan stallions each day.
