Horses for Sale – Youngsters

REG#	Horse	Birth Year	Asking Price	Sex	Level
948	Favory Apollosa	2020	\$25,000	Gelding	Training work started Feb. 2024
	Compact and strong, Favory Apollosa is a talented youngster who moves with power and elegance. He will make a great dressage horse. He began carrying a rider in early May. He is still growing and will likely reach 15 hands.				
946	Favory Atessa	2020	\$25,000	Gelding	Training work started Feb. 2024
	A solid and handsome guy, Favory Atessa is calm, confident, and smart. He started carrying a rider on the longe line in early May. We know he will be a great partner in dressage for someone willing to start him right in his training. He is still growing but will likely reach 15.1 hands. He has started training and is doing well.				
947	Sorella	2021	\$25,000	Mare	Training work started Mar.2024
	Large and affectionate, our dear Sorella is just 3 years old. She is calm and brave and we're certain she will make a nice partner for dressage or trails. Because she is large, we brought her in early to introduce her to early training. She goes well on the longe line, minds personal space and will carry a rider at the walk soon. Our recommendation will be to send her to the pasture for another 6 months to a year before starting her in regular work. She is a big girl and needs more time to grow. We expect her to be 16 hands or more.				
957	Siglavy VI Buona Fortuna	2022	\$18,000	Gelding	Living in pasture with the herd
	A super yearling with the best temperament and from excellent stock from both Piber and Tempel Farms. Don't miss this youngster with awesome potential. Pasture board options can be discussed. He will be ready for training in Fall 2025.
